◆ Transfer Hours and Credit and Waiving Courses (limit: 6 hours). Students who have completed graduate courses at other accredited institutions may petition to have those courses accepted by the University of Houston. Course transferring does NOT apply to graduate coursework taken for a received degree unless the hours received toward that degree exceeds the minimum required. No course credits below the 6000 level will satisfy departmental or area course requirements. First, the student should meet with the instructor teaching the equivalent course at UH with a course description, syllabus, and text information (if applicable) that was used for the course completed at the other institution. If the instructor agrees that the course is equivalent to ours, a graduate petition must be submitted with the supporting documentation to the academic affairs office for processing and approval by the Program Director, the Director of Graduate Education and/or Department Chair. For courses taken for a prior graduate degree within the minimum hours required or for coursework beyond the 6 hours allowed for transfer, students may request to waive taking a course, following the same instructor review as noted above for transferring credit (GRADUATE PETITION FORMS ARE AVAILABLE IN THE ACADEMIC AFFAIRS OFFICE OR AT [HTTP://WWW.UH.EDU/GRADUATESCHOOL/FORMS/GPFP.PDF](http://www.uh.edu/graduateschool/forms/gpfp.pdf)).

◆ Transfer of a Master's Degree. Students entering the program at the University of Houston with a Master's degree must provide official transcripts indicating satisfactory completion. The transfer of Master's degree credit must be approved by the student's Program Director, the Director of Graduate Education and/or Department Chair. A memo indicating such approval should be filed with the academic affairs office. Additional work may be deemed necessary for satisfactory conformance with departmental standards. Credit for a previously earned Master's Degree is not automatic; every case is decided on its own individual merits.

**University of Houston  
Department of Psychology  
Support Information, 2024-2025**

1. Funding support for all first-year students is available through Teaching Assistantships (TA) in the Department of Psychology. For 2024-2025 the monthly stipend for a 50% appointment (20 hrs/wk) will be \$1912.89, or \$22,954.68 for a twelve-month year. Students in TA appointments are assigned to 1 to 3 course sections per semester, depending on the workload of the course(s). Summer support as a TA is typically available when requested. Research Assistantships (RA) are also sometimes available to first year students, if they will be working with a faculty member who has a funded project on which to place the student. RA stipends vary typically ranging from \$2050 to \$2262 per month.

2. Other benefits include the option of a state employee health benefit package with 50% of the cost covered or a student health coverage package, a waiver of non-resident tuition rates for out-of-state students (worth up to \$15,240/year) and a graduate tuition fellowship (GTF) that covers the cost of twelve credit hours for the Fall and Spring semesters and up to six credit hours for the Summer semester plus fees (worth \$11,121/year). Please note that full-time graduate study for first-year in the Department of Psychology requires twelve credit hours each for the Fall and Spring semesters, and zero to six credit hours for the summer semester (depending on program requirements). Rates may increase slightly before Fall 2024.

**Bottom line:** For tuition and fees, students should not expect to pay out-of-pocket. In order to qualify for the state employee health benefits and a waiver of out-of-state tuition, students must maintain at least a 50% employment appointment, be registered as a full-time student, and in good standing (GPA > 3.0). To qualify for the GTF, students must be registered as a full-time student and in good standing. Student health insurance information is at [Student Health Insurance - University of Houston \(uh.edu\)](https://uh.edu/student-health-insurance) and state employee health insurance information is at: [Medical Insurance - University of Houston \(uh.edu\)](https://uh.edu/medical-insurance). Graduate students employed at UH at 50% time may use either health insurance plan.

3. After the second year, students may qualify for a Teaching Fellowship (TF). Teaching Fellows are instructors of record for a course. Each TF is expected to instruct 1-2 course sections per semester, depending on course size. The current monthly stipend for a 50% TF appointment is \$2048.89 or \$24,586.68 for the twelve-month year. Summer support as a TF is typically available when requested.

4. Students in good standing are virtually always successful in securing up to 6 years of funding support through a combination of teaching, research appointments, external internships, or traineeships.

5. Students' graduate application materials will be used to consider them for university and departmental scholarships.
