Step 3: When you open the LeadUH Path, it will show you your current progress on each of the LeadUH Certificate programs. It will tell you how many of the required credits have been completed for each:

The screenshot shows the 'My Paths' section of the University of Houston website. The 'Progress for' dropdown is set to 'LeadUH'. Below this, there are four certificate programs listed with their completion status:

Program Name	Completion Status
LeadUH - CoogCareers Leadership Program	Completed 0 of 4
LeadUH - LeadWELL: Leadership in Wellness Program	Completed 0 of 5
LeadUH - SOLD Series: Student Organization Leadership Development Program	Completed 0 of 6
LeadUH - Rise	Completed 0 of 6

A red arrow points from the top right towards the progress indicators in the table. The 'PRINT VIEW' and 'EXPAND ALL' buttons are visible in the top right corner of the table area.

Step 4: You can expand each Certificate program, and see which Required Workshops you have completed, as well as look at the other electives you can complete to fulfill the program.

The screenshot shows the expanded view of the 'LeadUH - Rise' program. The completion status is 'Completed 0 of 6'. Below the title, there is a 'VIEW DOMAIN DESCRIPTION' button and a completion requirement: 'Completion Requirements: 5 core items and at least 1 elective item must be completed'. The list of workshops includes:

- RISE Required 1 (Diversity 101) **REQUIRED**
- RISE Required 2 (LGBTQ Awareness) **REQUIRED**

Participants will have opportunities to connect with employers during one on one career counseling sessions, career panels, employer mock-interviews, and networking events. Learning to lead yourself is just as important as learning to lead others. To complete the CoogCareers program, participants must complete items in four categories: Explore, Engage, Empower, Employ. Click [here](#) for more details about completing your CoogCareers certificate with LeadUH!

Participants may choose from any workshop classified as ENGAGE to complete the Engage Category. Participants must complete two of the workshops to receive this credit for CoogCareers. Workshops cannot be repeated for multiple credits. All workshops will be held in Student Service Center 1, Room 106 (Building #524), unless otherwise noted.
