Charge with either the charging stand accessory or a USB charging cable.

Full charge time **90** mins
Up to 37 hours of battery

Fast charge in **15** minutes
Up to 8 hours of battery

- **PASSIVE NOISE CANCELLATION** – Jabra Evolve2 65 wireless headphones feature superior passive noise cancellation thanks to the enhanced memory foam padding and new angled design that cancels 48% more of the noise around you.
- **BIGGER AND BETTER SOUND** – This business headset has powerful leak-tolerate 40mm speakers for rich, high-definition audio for calls and music. Plus, the enhanced 3-microphone call technology means 23% less background conversation noise on your calls unit.
- **INDUSTRY-LEADING BATTERY LIFE** – The Evolve2 65 telework headset provides up to 37 hours of battery life on a single charge. With a 15-minute charge giving you up to 8 hours of use, they're on-ear headphones built to keep pace with your busy schedule.
- **ALL-DAY COMFORT** – When it comes to your wireless headset, true luxury is forgetting it's there. Made with durable, premium materials, the soft memory foam cushions shape to your ears' natural contours for incredible all-day comfort.
- **MS-OPTIMIZED** – This Jabra headset works with all leading Unified Communications platforms and is optimized for Microsoft Teams as a plug-and-play experience. Includes the Jabra Link 380a (USB-A) Bluetooth adapter.
