

Medical Student Research Portal Quickbase App

[App Link](#) (Please use @Cougarnet.uh.edu to login)

Workflow of the App:

For Students

- Students should use the App to do their annual attestation.
- They can submit their Project Form and can add more information as the project advances.
- A Presentation Form can be submitted for each Project.
- Students are requested to submit their Annual Attestations before submitting their Project Form.
- If the student is unable to find their UH Faculty Mentor in the dropdown “**Faculty Mentor**”, please select “**Yes**” in “**Are you unable to find your Faculty Mentor in the dropdown above?**” field and add their information in the following fields.

For Faculty

- Faculty should do their annual attestation for mentorship in the app.
- Faculty can view if a student has requested them as a mentor in their dashboard and acknowledge their membership.
- Faculty can track their mentee’s project forms and presentation forms.
