

**SUPREME COURT OF THE UNIVERSITY OF
HOUSTON STUDENT GOVERNMENT
ASSOCIATION**

[No. 2020-0004]

February 24, 2020

Response to Appeal for Complaint 20-18/19

The Court rejects to grant a writ of certiorari based on the appeal filed by Isaiah Martin on behalf of #ForTheStudents. All of #ForTheStudents was responsible for understanding and complying with the campaign ban issued in complaint 20-03. Given that the original charge is against #ForTheStudents as an entity, and this was not appealed with merit, it would not be proper for the Court to disjoin the party for the purpose of leniency for noncompliance with a previous citation. The petitioner failed to provide any further evidence challenging the severity of the ban other than the fact that the ban applies to the entire party. The Court must therefore reject the petitioner's request.
