Any additional hours over 66 cannot be used to satisfy degree requirements.

- Students who currently attend UH should refer to their departmental advisor **BEFORE** taking courses at another college.
- Courses listed above are **suggested** courses for this degree. Other courses in combination may apply to a degree.
- See department or course catalog for further information on your degree plan.
- Freshman-level language courses are not required for this degree (though may be needed to achieve sophomore-level courses) and do not count towards the 66 lower level hour limit unless used to satisfy degree requirements.

Texas Undergraduate In-State Tuition Enrollment Cap

Under current rules, Texas resident undergraduate students who enrolled for the first time in a Texas public institution of higher education in fall 1999 or later may be charged a premium tuition rate after they reach an established enrollment cap. For details, see [Texas Enrollment Cap](#) | [Office of the Provost](#) | [University of Houston](#).
