TSI ACCUPLACER
REMOTE VOUCHER NOTIFICATION AND INSTRUCTIONS

Your TSI ACCUPLACER test(s) will be administered using our remote proctoring service. Please note that ACCUPLACER requires candidates who select to take exams via remote proctoring to complete a room scan. As an alternative to remote proctoring, candidates can work with their institution to get a new voucher and search for a physical test center for an in-person exam administration. On test day, please be prepared to take your ACCUPLACER test in a quiet location, disruption-free. Additionally, please have an approved photo ID readily available (approved photo IDs are listed at https://www.examity.com/features/accuplacer/students/).
